

Integrated Delivery Network Domains	Domain Pillars	Drivers of 5-Part Aim IDN Performance						
Organization, Leadership, Vision and Strategic Development	Integrated Delivery Network: Organization & Governance	Physician Governance	Organizational Policies	Primary & Specialty Care Representation	Dyad Executive Leadership	Membership Segmentation		
	Integrated Delivery Network: Practice Support Services	Long Term Vision and Strategic Commitment	Near Term IDN Value Performance	Near Term Stakeholder Value Propositions	Prioritized IDN Infrastructure/ Sustainability	Collaborative Culture Development	IDN Leadership Development	Business of Practice Optimization
	Integrated Delivery Network: Performance Improvement	Learning Organizational Commitment	Performance Improvement System Properties	PI & Analytics Integration	5-Part Aim Measure Ownership			
	Care Team and Provider Vitality	IDN Prioritization of Provider/Team Vitality	Drivers of Meaningful Work	Provider/Team Voice in Delivery Design				
Advanced Network Integration	Network Collaboration and Care Transitions	Healthcare Navigation System & Policies	Collaborative Care Management & PI	Network Collaboration Citizenship	Expanded Network Integration			
	Advanced Systems of Primary and Specialty Care	Advanced Primary Care Commitment	Advanced Primary Care Model	Support for Advanced Systems of Practice	Integrated Direct Primary Care	APC Workforce Development		
	Integrated Care and Social Determinants	Community Health Worker Development	Hot Spotter Analytics	CIPC Workforce Development	Palliative Care Integration			
Value-Based Performance Payer Contracts and Funds Flow	Value-Based Contracting & Business Models	IDN Performance Payer Contracts	IDN Infrastructure Funds Flow	APC Practice & Support Funds Flow	Specialty & Tertiary Care Funds Flow	CIPC Community Resources Funds Flow	IDN DCPI Business Model	
	Total Cost of Care Efficiency	IDN Commitment to Efficiency	Investment in High Value Services	Reduction of Low Value Services	Utilization Analytics to Drive Efficiency	Non-IDN Provider Value Network		
Network HIT System	HIT Optimization	Strategic Practice HIT Optimization	Long Term HIT Infrastructure Commitment	HIT Utility Model Glide Path	HIT Physician Leadership			
	Transformative Analytics	IDN Ownership of Data & Analytics	Transformative Clinical Analytics	Claims Data & Analytics	Measure and Reporting Competency
