

## HANNA MOFFETT

HealthTeamWorks  
Project Manager

### OUTLOOK

"With the rapid changes in healthcare, care teams must accept, adapt, and evolve fast to be able to deliver excellent patient care. Clear vision, willingness to do things differently and the right tools to guide teams through the change are the keys to success.

We need to manage the change, and not let the change manage us."

### EDUCATION

Helsinki Secretarial College, Finland

## SUBJECT MATTER EXPERTISE

- Project Management
- Event Management
- Marketing
- Internal and External Communications
- Quality Improvement
- Process Improvement
- Customer Relationship Management

## BIOGRAPHY

Hanna has over five years of experience in the Healthcare Industry and more than 15 years in the Telecommunications Industry. She joined HealthTeamWorks in 2015 as a Program Coordinator and has supported several practice transformation projects with event management, marketing and communications, and customer relationship management. She is currently managing HealthTeamWorks marketing and back-office operations and helps practice transformation teams to effectively deliver quality improvement and practice transformation services to healthcare systems.

Before joining HealthTeamWorks, Hanna spent over 15 years in Nokia Corporation holding several positions in marketing, communications, and industry analyst relations in Finland, Germany, and the US. Her latest role was an Executive Assistant to the Executive Vice President of Global Sales, and Nokia Executive Board Member.

Hanna has managed several cross-functional projects and is fluent in English, Finnish and German.

## MY PASSION

*"To see the care teams delivering customized care reflecting patient needs, values, and choices. All members of the care team, including the patient, are aware of the patient's status and care plan."*
